

We help you Move More Metal with Comvoy.com

This national marketplace turbocharges your commercial truck and van sales

Designed With Buyers In Mind

Comvoy is the **only way** national buyers can shop by body type, vocation, brand, and chassis to support their unique business preferences and needs.

Unmatched Specifications

Comvoy listings deliver the information that matters to business buyers. All listings provide complete vehicle details, including body and upfit information.

Leads That Convert

Since Comvoy buyers know more about the vehicle, they convert both faster and at a higher rate. High-quality leads are essential to fuel your sales team's progress!

Endless Possibilities

Comvoy's ChassisBuilder and VanBuilder offer buyers a range of options for your unfinished chassis and vans. Buyers can select desired body type, shelving, and accessories and this insight comes to you in the lead which connects you directly to their needs.

Miles Ahead

Our in-house digital marketing team are the industry experts in how to target the commercial buyers of all types of businesses and vocations. They are continuously adding and updating content designed to educate the business buyer.

“We’ve been with Work Truck Solutions now for over seven years, and it’s been great using their commercial inventory platform, with their reporting, custom content and great consultation, to continue to expand our commercial business. When they launched Comvoy we were excited they were helping their dealers gain national leads; in only it’s first year we have received over 70 high quality leads!”
